

VLS STUDENTS: REQUEST TO AUDIT COURSES - Academic Year 2023-2024

...“A regularly enrolled student may audit free of tuition a maximum of two courses each semester provided (1) the student has completed the first year and is in good academic standing (2) the student is taking for credit the minimum load of 10 semester hours (3) the instructor consents and (4) there is a seat available according to the Registrar’s records. The fact that a student has audited a course will be noted on the student’s record. A student who has audited for more than three weeks shall not be permitted to take the course for credit in a subsequent semester without first obtaining the permission of the instructor giving the course for credit. A student may change his registration to audit no later the end of the add/drop period. Should a student decide to discontinue an audited course or the instructor determines the student has not satisfied the requirements to maintain audit status, the course will be removed from the student’s registration...”
