IV. MASTER'S DEGREE PROGRAMS

A. GENERAL PROVISIONS

The provisions in regulations IV.A., IV.B., IV.C. and IV.D. apply to the EMEP, MCEP, MAPP, MELP, MERL, MFALP, MARJ, and MLS degrees.

4. TRANSFER OF CREDITS

A student enrolled in a master's program may be granted credit for summer or regular semester courses satisfactorily completed at an ABA-approved law school or at another accredited graduate school. A student may transfer a maximum of six such credits to the master's program with the approval of the appropriate Program Director or the Director's designee. Students may not transfer credits to the Executive Master of Environmental Policy (EMEP) program. Before granting such approval, the Director or his or her designee must determine that the course is offered at the graduate level and that the course is relevant and important to the student's overall program of study. Courses eligible as transfer credit include only those courses with specific relevant substance. The Registrar must receive an official transcript showing that the course has been completed and that a grade of C or better (as defined in the Academic Regulations) has been awarded. Pass/Fail grades and grades for externships will not transfer. Transcripts from a foreign institution must be accompanied by a WES, ECE, or Spantran or AACRAO evaluation. Grades from transferred courses will not be used in computing the student's grade average. Once a student has enrolled as a degree candidate, prior approval must be obtained from the appropriate Program Director or the Director's designee to obtain credit for courses taken at another institution. No transfer credit will be given for a course completed more than five years prior to matriculation into the master's program.
