**CLASS RANK:** Beginning with the Fall 1995 Semester, it became Vermont Law and Graduate School's policy not to print class rank on transcripts. This information is presented on a separate document if the student so requests. Beginning with the Fall 1999 Semester, class rank will appear on transcripts only upon written request by the student.

**GOOD ACADEMIC STANDING:** A cumulative grade point average of 2.30 or higher is required to be in good academic standing for all degree programs, effective with the Fall 2021 Semester. Prior to that semester a cumulative grade point average of 2.20 or higher in the Juris Doctor and Master of Studies in Environmental Law degree programs, or 2.67 in the Master of Laws degree program, was required to be in good academic standing. A student is in good standing unless stated otherwise.
